

LET THE
NATURAL BEAUTY
OF YOUR
TEETH
SHINE THROUGH

Why Your Doctor Chooses Clarity™ Aesthetic Braces

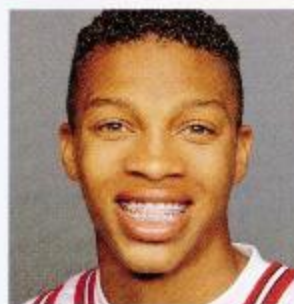

- Clarity Braces have been used to treat more than one million patients worldwide, more than any other aesthetic braces.
- Clarity Braces are designed to treat as fast as metal braces.
- Nine years of clinical experience have shown that Clarity Braces are an effective treatment choice.
- Clarity Braces are part of the 3M Health Care Family of products, known worldwide for quality.

For more information:

In the US and Canada: 1-877-CLARITY
Outside the United States: 626-574-4000
Visit our website at www.3MUnitek.com/Clarity

- Ask your orthodontist for instructions on the safe use of your Clarity Braces.
- Clarity Braces contain nickel and chromium. Tell your orthodontist if you are allergic to nickel or chromium.

THE PERFECT COMBINATION OF
STRENGTH AND BEAUTY

Clarity™ Aesthetic Braces give you a lot to smile about. When you're wearing Clarity Braces your natural beauty shines through every time you smile.

Smooth, sculptured and translucent, Clarity Braces are the ultimate fashion accessory in orthodontic wear.

EXPERIENCE A NATURAL LOOK AND A COMFORTABLE TREATMENT.

Clarity Braces won't stain or discolor, and will look as good the day they come off as the day your orthodontist put them on!

Comfortably designed, Clarity Braces will stay securely in place throughout your entire treatment. You can wear Clarity Braces even if you participate in sports.

Experience the natural look of Clarity Braces for yourself. Ask your Orthodontist for more information or visit us on the web at www.3MUnitek.com/Clarity.

THE DIFFERENCE WILL CHANGE YOUR SMILE AND YOUR LIFE.

Forget traditional metal braces. Let your natural smile shine through with the translucence of Clarity Aesthetic Braces. Strong, yet comfortable and lightweight, you'll hardly know they're there!

Over one million people around the world have
